The Perfect Game FOR MODERN DATING

Swoon is a deck of 52 question cards designed to cut through the bullshit & get down to what matters. Playing Swoon on your dates will bring out great stories, engaging conversation, and allow you to really get to know the person sitting in front of you.

Inspired by the viral NY Times article "36 Questions that lead to love" our goal was to create a product that would enhance our own dating lives, help other people find love, and create a culture around being open & real in romantic relationships.

QUIT PLAYING GAMES, START PLAYING SWOON!

What quality do you appreciate the most in others?

What gets you in the mood?

The Perfect Game FOR MODERN DATING

What are some small things that make your day better?

What's the craziest thing you've done for love?

PLAY FOR KEEPS

YOU KNOW WHAT YOU'RE LOOKING FOR, SWOON HELPS YOU FIND OUT IF THEY'RE SITTING RIGHT IN FRONT OF YOU.

SKIP THE SMALL TALK & GET BELOW THE SURFACE

The Game Has 4 Rules:

1. Alternate with who asks first.
2. Play, pass or pause at any point.
3. Listen and respect your partner's boundaries.
4. Promise each other to keep it real.

Questions Like:

- What's a common misconception people have about you?
- What are you most excited about in your life right now?
- What quality do you appreciate the most in others?
- What's the craziest thing you've done for love?
- What's something you would never want your mother to find out?
- In your opinion, what does it mean to be good in bed?

REPLACING AWKWARD SILENCES
**WITH MEANINGFUL
MOMENTS**

We believe life is better when you're in love, vulnerability is your superpower, and every date should be an opportunity to learn something new about your partner.

Swoon is a sure fire way to find common goals & connection in both early or established relationships. Learn about their values, strike up some compelling banter, explore intimacy, and dive into deeper feelings. With four different categories of questions, you can choose your own adventure and spice up the standard dating script.
